RENNINGERS Antique Center

Is known throughout the southeast as one of the largest antique and collectible centers. For 28 years, over 200 booth owners have provided the best selection of antiques and collectibles available.

20651 New U.S. Hwy 441, just east of Mount Dora
Saturday - Sunday 9 a.m. - 5 p.m.
The enclosed building with 40 cases and 20 shops is also open
Friday 10 a.m. - 4 p.m.

Surrounded by orange groves, Arcadia has 12 shops on one street. Fort Pierce has six shops. Fort Myers, Oviedo, and Plant City have five shops. One must cross a bridge to Sanibel Island to find the store that is like a museum with over a million smalls organized in collections. In Naples, you will find a shop owned by a Lord.

The antique shops are housed uniquely; one is in a mansion's deserted indoor swimming pool. Other shops are in period homes, a theatre, an opera house, a garage, and a "haunted" mansion. One shop is a tin shed filled with vintage marine; another is a red shed filled with Florida memorabilia.

There are antiques and collectibles in the "Street of Shops" as well as in the main building. All of the "booth" owners, indoors and outdoors, are available to answer questions and assist with purchases. There is also a consignment area where one can find jewelry, silver, glass, paintings, porcelain, brass hardware, and more.

Special outdoor shows are held the third weekend of every month.

Antique Extravaganzas are held in Jan, Feb, and Nov.
